PROFESSIONAL PROFILE

Ms. Michia Casebier is President of M.G. Tech-Writing, LLC (MGT), a planning, grant and technical writing sole proprietorship, which opened its doors in 1993, and has funded nearly \$20 million dollars in grants. With offices in Cottonwood and Tolleson, Arizona, as well as Fountain Valley, California, MGT provides consultant services to for- and non-profit organizations, governments, and government agencies focusing on multi-modal and tribal transportation planning; grant program development, training, and technical assistance for rural and tribal communities. MGT clients consistently receive a return that is significantly higher than their investment for grant research, grant writing, grant administration, and proposal development. MGT also maintains funding source relations, completes monitoring reports and evaluations, and hosts grant implementation meetings.

MGT is experienced with the former Indian Reservation Roads Program (currently known as the Tribal Transportation Program), and with this background, has written seven Tribal Safety Plans and funded \$60,488.00 in FY16 and FY17-18 Tribal Transportation Program Safety Funds for the Native Village of Tanana's and Pueblo de Cochiti's Road Safety Assessments. MGT also is seeking the opportunity to write or update a Long Range Transportation Plan, and is in the process of developing a comprehensive Tribal Transportation Program administration training workshop for fledgling Tribal Transportation Program administrators.

Michia has served as the Senior Planner on Safe Routes to School (SRTS) contracts and task assignments in four states. As such, she has successfully completed 20 Arizona SRTS School Route/Travel Plans and 28 SRTS site visit assessments (including seven in Indian Country). Considered a national expert in effective SRTS program information dissemination (particularly to federally-recognized Native American tribes), Ms. Casebier partnered with the civil and pavement engineering firm of NCE and the PedNet Coalition (PedNet), a nationally-renowned non-profit bicycle and pedestrian organization, to complete the tribal toolkit, "[Creating Safe Routes to School Programs in Tribal Communities in California](#)" for the California SRTS Technical Assistance Resource Center (TARC), known currently as the Active Transportation Safety Program. On behalf of the TARC, the MGT, NCE, and PedNet team also collaborated with Harder+Company to complete the Low-Income/Underserved Community Needs Assessment with which they were tasked under the same TARC SRTS Request for Qualifications. As a sub-consultant to Amec Foster Wheeler (currently known as Wood), Michia assisted in the development of a City of Surprise SRTS Action Plan for three charter schools. Of the nearly \$20 million in grants that MGT has funded, approximately 2 million of those dollars were for Arizona Safe Routes to School projects.

REPRESENTATIVE PROJECTS

Webinar/Workshop Training Developer/Instructor, October 2020 - Present
The Idea Gardener Phoenix, Arizona

MGT has been hired as a subcontracted Webinar/Workshop Training Developer/Instructor to assist The Idea Gardener with creation and facilitation of webinars, workshops, and/or conference breakout sessions targeted at Disadvantaged Business Enterprise firms and small businesses in both Arizona and New Mexico.

ADOT Rural and Tribal Bicycle and Pedestrian Workshop Toolkit, September 2020 - Present
Kimley-Horn and Associates, Inc. Tucson, Arizona

Subcontracted by Kimley-Horn and Associates, Inc.'s Tucson office, MGT has been hired as part of a six-person team to help develop the Arizona Department of Transportation (ADOT) Rural and Tribal Bicycle and Pedestrian Workshop Toolkit. The Toolkit will be used by the ADOT Bicycle and Pedestrian Coordinator to provide rural and tribal workshops beginning potentially in mid-2021. At present, the team has defined the workshop topics, is preparing the Toolkit and workshop materials, and will conclude the project with finalizing some detailed workshop plans.

Tribal Transportation Safety Plan Development Director, January 2020 - Present
Walker River Paiute Tribe Schurz, Nevada

Contracted by the Walker River Paiute Tribe, MGT performed a three-day site visit in late February 2020 to write the tribe's first Tribal Transportation Safety Plan (TTSP). The Tribe's TTSP is an inclusive safety planning document that will detail goals, activities, and champions for Walker River Paiute Tribe's eleven emphasis areas: Safe Routes to School; road safety assessment; electronic coverage area; impaired driving; crash data Improvement; road closure protocol improvement; large-scale roads improvement projects; driver's education; roadway maintenance; safety committee development; and dust abatement.

Conference Breakout Session and Workshop Training Developer/Instructor, May 2019 - Present
National Rural Transit Assistance Program Woburn, Massachusetts

MGT has been hired on a year-long contract to assist the National Rural Transit Assistance Program (RTAP) with enhancing their existing national tribal and rural transit training efforts. The project scope of work includes helping RTAP training staff and consultant trainers win more opportunities to provide breakout sessions at rural and tribal conferences and with the development of a streamlined process for conducting more transit training workshops in various regions of the country. The kickoff event was attendance at the 2019 National Tribal Symposium to Advance Transportation in San Diego on May 14 and 15 where Casebier facilitated the "Tribal Transit Program Planning I and II" break out sessions along with a transit funding breakout session entitled, "Putting Funding to Work & Alternatives to Grant Funding." MGT planned, developed, and co-facilitated a two-day workshop with Walt Diangson of the Southwest Transit Association as part of the four-day agenda for the Rocky Mountain Region Tribal Transportation Program's 2020 Quarterly Tribal Transportation Meeting at the Bureau of Indian Affairs' Rocky Mountain Regional Office in Billings, Montana on February 11 - 12, 2020.

REPRESENTATIVE PROJECTS (Continued)

Tribal Transportation Safety Plan Development Director, January 2018 - Present
Taos Pueblo Taos, New Mexico

Contracted by Taos Pueblo, MGT completed a three-day site visit in late February 2018, and is finishing the Pueblo's first Tribal Transportation Safety Plan (TTSP). The Pueblo's TTSP is an inclusive safety planning document that incorporates Taos Pueblo's eight emphasis areas: safety communication enhancement; enforcement/EMS; impaired driving, alcohol and substance abuse; driver's education/defensive driving; road safety assessment; roadway safety improvements; and roadway maintenance. The plan's vision: "Through value-added engineering, transportation education, and firm enforcement, Taos Pueblo will achieve a healthy, multimodal transportation system," will allow the Pueblo to reduce traffic fatalities and serious injury crashes.

Technical Editor, January 2014 - Present
ETD, Inc. Flagstaff, Arizona

MGT edited and fact-checked the demographics chapter of four Regional Water Plans being developed by Brown and Caldwell for 13 of the Navajo Nation's geographic chapter areas; e.g., Nazlini, Many Farms, Chinle, Rock Point, Lukachukai, Tsaile-Wheatfield, Shonto, To'Nanees'Dizi, Kaibeto, and Black Mesa on behalf of ETD, Inc., a Native American-owned environmental consulting and applied research firm dedicated to Indian Country. MGT also edited the LeChee, Tolikan, and Bááháálí Chapter's Comprehensive Land Use Plans; ETD's revised website text; and the Navajo Nation Coal Mine Economic Strategies and Marketing Plans.

Key Informant, September 2020
America Walks Bethesda, Maryland

On September 18, 2020, Michia participated in a key informant interview with Ms. Yamelith Aguilar for America Walks' Creating a Safe and Inclusive Built Environment for People with Disabilities in American Indian/Alaska Native Communities project. Said interview was utilized in America Walks' efforts to draft the white paper, entitled, "[Inclusive Planning in Tribal Communities: Engaging People with Disabilities in Designing Safe and Accessible Transportation Systems.](#)"

Walking Towards Justice in Indian Country, March 2020 - April 2020
America Walks Bethesda, Maryland

MGT was hired to collaborate with America Walks staff, Jerrod Moore of the Tribal Injury Prevention Resource Center, and Alan Sixtus Dominguez of the Albuquerque Area Southwest Tribal Epidemiology Center on the initial planning/development of a two-part "Walking Towards Justice in Indian Country" webinar series. Part I of the series, entitled, "[Tribal Transportation Planning and Pedestrian Safety](#)," featured some of today's most highly-respected and renowned women in Tribal Transportation and took place on June 23, 2020. Part II, "[Missing and Murdered Indigenous Women and Girls](#)," took place on August 12, 2020, and was based on two books, *Highway of Tears* by Jessica McDiarmid, and *The Round House* by Louise Erdrich. Webinar presenters included the honorable Deb Haaland, U.S. Representative from New Mexico's 1st congressional district and others. Both webinars garnered more than 500 participants each.

Grant Researcher and Technical Writer, February 2020 - May 2020
First American Golf Association Flandreau, South Dakota

MGT developed a ten-page Table of Potential Grants and a nine-page Project Abstract, which details a four-phase program development plan that this fledgling tribal non-profit can utilize to pursue future grant applications for Flandreau Indian School.

REPRESENTATIVE PROJECTS (Continued)

Tribal Transportation Program Safety Funds Grant Writer, July 2020 - August 2020
Pueblo de Cochiti Cochiti Pueblo, New Mexico

As the sixth contract that MGT has completed for Pueblo de Cochiti (PdC), the firm wrote the Pueblo's \$452,517.00 Fiscal Year 2020 Tribal Transportation Program Safety Funds (TTPSF) NM22 Intersection 12.2 Safety Improvements Project (PdCISIP) grant. Pueblo de Cochiti's PdCISIP will complete a thorough Traffic Study of Intersection 12.2 and both sides of New Mexico 22 immediately north, south, and west of the intersection, where four crashes at or approaching this intersection have been documented. In addition, the project will result in a NM22 Intersection 12.2 Traffic Study and Design Report with plans, specifications, and cost estimates for three intersection design alternatives (including a roundabout design solution) that meet NMDOT standards and propose to improve the intersection's safety.

Tribal Transit Program Development Assistant and RSA Implementation Team Member, November 2018 - August 2019
Pueblo de Cochiti Cochiti Pueblo, New Mexico

MGT provided Tribal Transit Program development and Road Safety Assessment implementation technical assistance to the Pueblo de Cochiti under the fourth and fifth contracts the firm has had with the Pueblo since December 2016.

Youth Engagement and Action for Health Project Advisory Committee Member, January 2018 - August 2019
Healthy Places Lab
School of City and Regional Planning
Georgia Institute of Technology Atlanta, Georgia

Michia was hired under a Georgia Tech honorarium to assist the Youth Engagement and Action for Health (YEAH!) Project Program Manager and Advisory Committee with national tribal youth recruitment and project implementation. The Yeah Project goal is for minority youth and adults to collaborate to make their neighborhoods into communities where it is easier for people to lead healthy and active lives. By participating in the ten-week YEAH! Curriculum, minority middle-school youth will learn about themselves, increase their self-determination and sense of self-worth, and develop advocacy skills.

Transit Manager's Toolkit Update Team Member, November 2018 - April 2019
National Rural Transit Assistance Program Woburn, Massachusetts

MGT was subcontracted to the KFH Group, Inc. to assist in the completion of the "[Engaging with Tribes](#)" article on the National Rural Transit Assistance Program's website. The project scope of work included incorporation of suggestions obtained via the RTAP's Toolkit Needs Survey, monthly meetings with National RTAP staff, formal presentation of the article draft to the National RTAP board, and completion of the final article.

Tribal Safety Plan Development Director for Six Alaska Native Villages:

[Wrangell Cooperative Association](#), May 2018 - December 2018 Wrangell, Alaska
Native Village of Ruby, November 2016 - January 2018 Ruby, Alaska
Gwichyaa Zhee Gwich'in Tribal Government, August 2016 - March 2017 Fort Yukon, Alaska
Klawock Cooperative Association, September 2015 - August 2016 Klawock, Alaska
Native Village of Tanana, July 2015 - August 2015 Tanana, Alaska
[Craig Tribal Association](#), January 2015 - March 2015 Craig, Alaska

Through the Wrangell Cooperative Association's Safety Plan emphasis area implementation plan, Wrangell safety stakeholders will be able to reduce vehicle crashes and achieve vital safety improvement goals.

REPRESENTATIVE PROJECTS (Continued)

Walking College Mentor, December 2017 - October 2018
America Walks Portland, Oregon

The Walking College is an interactive, online educational program for walkable community advocates. Each year, Walking College Fellowships are awarded to community change agents working alone, in organizations, or in professions such as public health, planning, transportation, or education. Casebier was contracted to: serve as the "Personal Mentor" for two Walking College Fellows, held six 30-minute one-on-one Mentoring Sessions with each of them, and assisted them with the development/editing of their Walking Action Plans.

Grant Writing Workshop Developer/Instructor, September 2017 - April 2018
Colorado Local Technical Assistance Program Boulder, Colorado

MGT was contracted with the Colorado Local Technical Assistance Program to develop/provide (2) two-day grant writing workshops; one of which was provided at the City of Westminster Municipal Service Center on November 20 and 21, 2017. The second workshop was delivered April 4 and 5, 2018 at the Clarion Inn in Grand Junction, Colorado. Workshop development included the creation of a comprehensive 153-page grant writing course manual for attendee use during the (2) two-day workshops and beyond.

Traffic Records Assessment and Data Gathering Improvement Project Coordinator, January 2018 - March 2018
Pueblo de Cochiti Cochiti Pueblo, New Mexico

MGT: assisted the Pueblo de Cochiti with researching various data gathering and traffic records assessment software systems; worked with Cochiti Pueblo staff to self-assess the Pueblo's tribal crash data collection system, state-tribal crash data sharing, and capacity for tribal traffic safety improvement; and sought to increase the regularity of meetings between local, tribal, and regional EMS and Enforcement stakeholders. The project concluded with the planning and facilitation of a stakeholder meeting in Cochiti Pueblo's Tribal Council chambers.

Tribal Transportation Program Safety Funds Grant Writer, November 2017 - December 2017
Pueblo de Cochiti Cochiti Pueblo, New Mexico

MGT funded the Pueblo de Cochiti's (PdC's) Fiscal Year 2017-2018 Tribal Transportation Program Safety Funds (TTPSF) Road Safety Assessment (RSA) grant. On June 29, 2018, the Federal Highway Administration notified the PdC of their \$38,824.00 RSA project grant award. Pueblo de Cochiti's Road Safety Assessment project will contract a team of subject matter experts to evaluate both a .5 mile stretch of Southern Pueblos 85 (SP85) south from SP92 to Pinon Street within the Pueblo and a 1.75 section of New Mexico 22 north from SP92 to Cochiti Highway. The TTPSF RSA project reflects one of the nine Tribal Safety Plan emphasis areas selected by the Cochiti Pueblo community.

Tribal Safety Plan Development Director, December 2016 - September 2017
Pueblo de Cochiti Cochiti Pueblo, New Mexico

Contracted by the Pueblo de Cochiti, MGT completed a three-day site visit in late December 2016, and wrote [the Pueblo's first Tribal Safety Plan](#). MGT sub-contracted NCE to develop a schematic site plan of the school zone adjacent to the Cochiti Elementary and Middle School and a one-page write up of proposed SRTS engineering improvements.

PROFESSIONAL EXPERIENCE (Continued)

Safe Routes to School/Safe Passage Program Developer, July 2017 - August 2017
Paramount Unified School District Paramount, California

Contracted by the Paramount Unified School District's Safety and Security Department, MGT assisted staff with developing Safe Routes to School and Safe Passage program ideology to present to the Paramount Unified School District Governing Board. MGT also assisted with completion of a Governing Board handout and tri-fold brochure for parents' and students' usage.

Tribal Transportation Program Safety Funds Grant Writer, August 2016 - September 2016
Native Village of Tanana Tanana, Alaska

MGT wrote/helped submit the Native Village of Tanana's (NVT's) Fiscal Year 2016 Tribal Transportation Program Safety Funds (TTPSF) Road Safety Assessment (RSA) grant. On April 10, 2017, the Federal Highway Administration notified the NVT of their \$21,664.00 RSA project grant award. Guided by the recommendations detailed within the Tribal Safety Plan that MGT completed in August 2015, the TTPSF RSA project reflects one of the eight Tribal Safety Plan emphasis areas selected by the Tanana community.

Safe Routes to School Planner, November 2015 - May 2016
Amec Foster Wheeler Phoenix, Arizona

As a sub-consultant to the international engineering firm formerly known as Amec Foster Wheeler (now Wood), MGT assisted in the development of a Safe Routes to School Action Plan for three charter schools within the City of Surprise: Arizona: Arizona Charter Academy, Imagine Preparatory School, and Imagine School at Rosefield. The plan included: aerial and Safest Routes to School maps, existing conditions, prioritized problems, countermeasures, estimated costs, photos, existing schematics of engineering improvements, an implementation plan, and summary of potential SRTS programs/projects that could be submitted for additional SRTS grant funds. MGT completed an Existing Conditions Memo for inclusion in the final Action Plan. Further, the firm helped: conduct three school site conditions assessments, walking/biking audits, and follow-up neighborhood meetings; draft the Action Plan; and review Bullard Avenue design/reconfiguration alternatives for the City of Surprise 'Bullard Avenue Task Force'.

Technical Writer, August 2014 - December 2015
HealthTrans Consulting, LLC. Barrington, Illinois

As a sub-consultant to HealthTrans Consulting, LLC, the PedNet Coalition's prime contractor to Live Well Crawford County, MGT helped complete the technical writing (including document formatting and graphics incorporation) of a [Bicycle and Pedestrian Master Plan](#) for the City of Girard, Kansas. Additionally, between August 2014 and September 2015, MGT assisted HealthTrans and PedNet with the completion of the Pittsburg, Kansas Bicycle and Pedestrian Master Plan.

League Cycling Instructor/Bicycle Traffic Skills Course Developer, March 2015 - July 2015
Inter Tribal Council of Arizona Phoenix, Arizona

Funded by a Department of Health and Human Services' Office of Minority Health grant, MGT, the Inter Tribal Council of Arizona, and the Hualapai Police Department completed provision of four day-long, site-specific Bicycle Traffic Skills courses in May and June 2015 with helmet fittings and giveaways for 78 Native American youth from the: Hualapai Indian Tribe in Peach Springs, Arizona; Kaibab Band of Paiute Indians in Pipe Springs, Arizona; Duckwater Shoshone Tribe in Duckwater, Nevada, and Te-Moak Tribe of Western Shoshone youth in Elko, Nevada.

PROFESSIONAL EXPERIENCE (Continued)

Grant Writer/Tribal Safety Plan Development Director, January 2015 - March 2015
Craig Tribal Association Craig, Alaska

Funded a \$264,495.00 Federal Transit Authority Tribal Transit Program grant for the Craig Tribal Association (CTA) to purchase two 20 + 2 body-on-chassis buses. Grant funding will implement Phase Two of the Prince of Wales Island Public Transit System and initiate local demand response bus service in Craig and Klawock, and demand response regional bus service on a Craig-Klawock-Hollis route. MGT also completed the CTA's first Tribal Safety Plan, a comprehensive safety document that identifies the Island's safety challenges, emphasis areas, collaborative partners, and presents an implementation plan through which Prince of Wales Island's Alaska Native villages and several communities can reduce vehicle crashes and realize critical safety improvement goals.

MoDOT SRTS Curriculum Developer/SRTS Grant Writing Technical Advisor, August 2013 - June 2014
The PedNet Coalition Columbia, Missouri

Contracted with the PedNet Coalition, MGT was a sub-consultant under PedNet's funded 2012 Missouri Department of Transportation Safe Routes to School Non-Infrastructure grant entitled, "[SRTS Workshops for Underserved Schools](#)" through which MGT developed a series of five 4½-hour SRTS Grant Writing Assistance Program workshops with accompanying workshop handouts and materials to educate Missouri school and community staff members on how to write competitive Safe Routes to School grants under the new Moving Ahead for Progress in the 21st Century (MAP-21) legislation. In addition, MGT provided 25 hours of one-on-one SRTS grant writing technical assistance to the communities of Ava and Charleston, Missouri. With MGT's assistance, Ava was subsequently awarded a \$310,000 SRTS infrastructure grant.

Senior Planner/Technical Lead, February 2010 - June 2013
NCE Reno, Nevada

Senior Planner who provided SRTS consultant expertise/technical assistance to Arizona communities through grant funds provided by the Arizona Department of Transportation's (ADOT's) Safe Routes to School Planning, Tribal Planning, Grant Writing, and Active School Neighborhood Assistance programs. Funding compensated MGT as a sub-consultant to NCE for provision of SRTS grant writing workshops, as well as the compilation of either a School Route/Travel Plan or Active School Neighborhood Assistance Program Report with aerial and Safest Routes to School maps, existing conditions, prioritized problems, countermeasures, estimated costs, photos, existing schematics of engineering improvements, an implementation plan, and summary of potential SRTS programs/projects that could be submitted for additional SRTS grant funds. Utilizing these plans and reports, the NCE consultant team provided clients with one-on-one technical assistance in developing/writing their SRTS grant applications. MGT was instrumental in encouraging the first military installation, the U.S. Army Garrison Yuma Proving Ground, to pursue SRTS infrastructure funding for PFC James D. Price Elementary School, and funded the first tribal SRTS grant in the U.S. for the Yavapai-Apache Nation.

Neighborhood Training Institute Faculty, November 2011 - May 2016
NeighborWorks America Washington, D.C.

Michia piloted "Revitalize Your Community with Walkability and Bikeability Strategies" as an afternoon workshop at the NeighborWorks America Atlanta National Training Institute (NTI) on August 9, 2011. In November 2011, Ms. Casebier subsequently was hired to help develop a Training Manual to accompany course number NR270, "Walkability and Bikeability for Healthy, Vibrant Neighborhoods." One of America's premier affordable housing and community development leaders, NeighborWorks America is a non-profit that works to provide lower-income populations with affordable live-in homes in safe, healthy, and sustainable neighborhoods where families can grow.

PROFESSIONAL EXPERIENCE (Continued)

Section 5310 Grant Review Panel, May 12 - 16, 2014
Arizona Department of Transportation Section 5310 Program
Cottonwood Area Transit Cottonwood, Arizona

Invited by Northern Arizona Council of Governments' (NACOG's) staff to read and score 11 Section 5310 grant proposals on NACOG's behalf per Arizona Department of Transportation rating criteria. Met with a four-person Grant Review Panel to review scoring and grant critiques, then make final scoring and funding recommendations to the Arizona Department of Transportation.

Grant Coordinator, December 2005 - November 2006
Town of Pinetop-Lakeside Pinetop, Arizona

Casebier funded \$424,015.00 in grants and travel scholarships for the Town. In addition to providing essential grant-related guidance and information to the Town Council, Michia authored three Community Development Block Grant (CDBG) proposals for the Town of Pinetop-Lakeside while working simultaneously to closeout, clean up the tracking and grant administration of three FY02 CDBG projects, which were two years overdue. Refined relationships with critical State of Arizona departments and numerous agencies; including, but not limited to close collaboration on the Town Plan revision with The Tejido Group out of the University of Arizona's College of Architecture and Landscape Architecture. Performed grant project development, grant writing/administration, and drafted press releases, white papers, and briefs.

Project Developer/Grants Administrator, June 2004 - December 2005
Western Moulding Company, Inc. Snowflake, Arizona

Michia funded \$354,000.00 in grants and travel scholarships for the company and its employees. Planned and conducted 25+ tours with collaborators, including several with the late Senator Jake Flake and other Arizona state legislators. Performed grant project development and grant writing/administration; drafted press releases, white papers, and briefs; and was assigned to special research and development/marketing projects. Created flyers and Power Point presentations for marketing and media promotion.

Title VII Comprehensive School Grants Review Panel
U.S. Department of Education Office of Bilingual Education and Minority Languages Affairs
Hilton Arlington, Virginia March 22 - 27, 1999 and Holiday Inn Silver Spring, Maryland May 5 - 10, 1997

Read and scored 30 grant proposals per Department of Education rating criteria. Met in teams to review scoring, recommendations and grant critiques.

Acting Director/Higher Education & Comprehensive Education Plan Coordinator, July 1995 - January 1996
White Mountain Apache Tribal Education Department & Vocational Skills Center Whiteriver, Arizona

Administration of six different 93-638 Education programs, including: Higher Education, Adult Education, Vocational Education, the Child Find and Johnson O'Malley programs, as well as the Vocational Skill Center. Wrote and developed initial work plan/outline for the WMAT Comprehensive Education Plan.

PROFESSIONAL EXPERIENCE (Continued)

Education Specialist, August 1992 - July 1995
John F. Kennedy Day School Cedar Creek, Arizona

Promoted to an Education Specialist position with the Bureau of Indian Affairs' Office of Indian Education Programs (presently known as the Bureau of Indian Education) after only two years of classroom teaching. Wrote grants; performed grant program/project research, design, development, implementation and administration; refined funding source relationships; wrote and developed curriculum; monitored, evaluated and administered grants; taught kindergarten through eighth grade children; and coached eighth grade girls' basketball. Planned, coordinated, and chaperoned one eighth-grade prom, and two annual eighth grade end-of-the-year trips.

PUBLICATIONS, PRESENTATIONS, TRAININGS, AND WEBINARS

"Reading and Responding to Solicitations: RFPs, RFQs, SOQs and RFIs," a two-hour webinar developed/facilitated by Ms. Casebier for the annual 2020 Arizona Department of Transportation Disadvantaged Business Enterprise Conference Development Program, and presented on December 10, 2020 to virtual conference attendees as part of the Post-Conference Workshop Series.

"Reading and Responding to Solicitations: RFPs, RFQs, SOQs and RFIs," a two-hour webinar developed/facilitated by Ms. Casebier for the Arizona Department of Transportation Business Development Program, and presented on September 10, 2020.

"Tribal Transit Workshop," a two-day workshop developed and co-facilitated by Michia and Walt Diangson, Southwest Transit Association Trainer, on behalf of the National Rural Transit Assistance Program as part of the four-day agenda for the Rocky Mountain Region Tribal Transportation Program's 2020 Quarterly Tribal Transportation Meeting at the Bureau of Indian Affairs' Rocky Mountain Regional Office in Billings, Montana on February 11 - 12, 2020.

"Reading and Responding to Solicitations: RFPs, RFQs, SOQs and RFIs," a two-hour webinar developed/facilitated by Ms. Casebier for the New Mexico Small Business Training and Resources Program, and presented on December 4, 2019.

["It's Not Just about the Money: Writing Grants for the End Gain,"](#) an hour-long webinar developed/facilitated by Ms. Casebier for the Tribal Injury Prevention Resource Center, and presented on November 13, 2019.

"Reading Solicitations (RFPs, RFQs, SOQs and RFIs)" and "Responding to Solicitations (RFPs, RFQs, SOQs and RFIs)," two back-to-back 50-minute breakout sessions Michia facilitated at the 10th annual Arizona Department of Transportation DBE and Small Business Conference held at Casino del Sol, Tucson, Arizona, September 23, 2019.

["Tribal Pedestrian Safety via Pop-Ups and Pedestrian Plans,"](#) a day-long pre-conference workshop, which included actual installation of a pop-up traffic calming project by workshop attendees. Co-facilitated by Ms. Casebier, Ian Thomas, America Walks' State and Local Program Director, and Danielle Hess, Project Assistant for the Small Urban, Rural and Tribal Center on Mobility, the workshop was held as part of the 2019 National Transportation in Indian Country Conference hosted at Big Sky Resort in Big Sky, Montana, September 16, 2019.

"Moving Mountains through Public Transit," a 90-minute panel discussion co-facilitated by Michia, Ken Hosen, KFH Group's Vice-President, Jim Nagle, New Mexico's North Central Regional Transit District Public Information Officer, Ramona Dillard, Laguna Pueblo Community Health Wellness Department Director, and Julia Walton, Former President, Three Square Blocks for the annual Western Planner Association's Conference held at the Drury Plaza in Santa Fe, New Mexico on September 10, 2019.

PUBLICATIONS, PRESENTATIONS, TRAININGS, AND WEBINARS (Continued)

“Responding to Proposal Requests,” a two-hour breakout session facilitated by Ms. Casebier for the Arizona Department of Transportation’s Business Engagement and Compliance Office in Phoenix, Arizona, August 1, 2019.

“Putting Transit Funding to Work and Alternatives to Transit Grant Funding,” a 90-minute breakout session facilitated by Ms. Casebier at the 2019 National Tribal Symposium to Advance Transportation hosted at the Sheraton San Diego Hotel and Marina in San Diego, California, May 15, 2019.

“Tribal Transit Program Planning I” and “Tribal Transit Program Planning II,” two 90-minute breakout sessions developed/facilitated at the 2019 National Tribal Symposium to Advance Transportation hosted at the Sheraton San Diego Hotel and Marina in San Diego, California, May 14, 2019.

“Grant/Proposal Writing Application Process,” a 90-minute interactive breakout session facilitated by Michia Casebier for the 2019 Navajo Division of Transportation’s Reservation Wide Transportation Symposium hosted at the Twin Arrows Navajo Casino Resort, in Twin Arrows, Arizona, April 2, 2019.

“Tribal Injury Prevention Coalition and Pedestrian Safety Workshop,” a five-hour workshop co-facilitated with Ian Thomas, America Walks’ State and Local Program Director, and Maria Rosa Galter, Walk2Connect member-Co-Owner, for the first quarter meeting of the Albuquerque Area Tribal Injury Prevention Coalition. The workshop was sponsored by the Albuquerque Area Southwest Tribal Epidemiology Center, and hosted at the Central New Mexico Community College Workforce Training Center in Albuquerque, New Mexico on March 22, 2019. The workshop was preceded by a [four-hour site visit](#) with the Safe Transportation Initiative membership to Jemez Pueblo to observe pedestrian safety conditions and learn about pueblo efforts to address transportation safety challenges and goals.

“[Enforcement: Keeping Routine Stops from Escalating](#),” a three-hour panel presentation co-facilitated with Michael Henderson, Captain, Navajo Division of Public Safety, Lawrence Robertson, Bureau of Indian Affairs-Office of Justice Services, and Al Fowler, Captain, White Earth Tribal Police Department, as part of the Safety and Law Enforcement track at the 2018 National Transportation in Indian Country Conference hosted at the Duluth Entertainment Convention Center in Duluth, Minnesota, September 19, 2018.

“Tribal Transit Success Panel: Approaches & Techniques,” a 90-minute panel presentation co-facilitated with Robert Mills, Yavapai-Apache Nation Grants and Contracts Manager, at the 2018 National Transportation in Indian Country Conference hosted at the Duluth Entertainment Convention Center in Duluth, Minnesota, September 19, 2018.

“[Crash Data Improvement Strategies & Safety Grant Writing](#),” a three-hour panel presentation co-facilitated with Norma Bowman and Colyan Begay of the Navajo Nation Department of Transportations’ Highway Safety Division, and Adam Larsen, Tribal Transportation Program Safety Engineer/Safety Program Manager, at the 2018 National Transportation in Indian Country Conference hosted at the Duluth Entertainment Convention Center in Duluth, Minnesota, September 18, 2018.

“Tribal Safety Plans - Development-Data-Implementation,” a 75-minute presentation co-facilitated with Elisabeth Whitlock, High Road Engineering Principal, as part of the Culturally Relevant and Sustainable Infrastructure Development track at the 2018 Tribal Planning and Western Planner Conference hosted at the Shoshone-Bannock Hotel and Event Center in Fort Hall, Idaho, August 6, 2018.

“It’s Not Just about the Money: Writing Grants for the End Gain”, a two-day Colorado Local Transportation Assistance Program (CLTAP) workshop, developed and facilitated by Michia Casebier for the CLTAP’s Roads Scholar training track, hosted at both the Clarion Inn in Grand Junction, Colorado, April 4 - 5, 2018 and at the Westminster Service Center in Westminster, Colorado, November 20 - 21, 2017.

PUBLICATIONS, PRESENTATIONS, TRAININGS, AND WEBINARS (Continued)

“Tribal Transit Success - 3 Tribes' Unique Approaches,” a 90-minute panel presentation co-facilitated with Millie Schoonover, Craig Tribal Association Councilwoman and Robert Mills, Yavapai-Apache Nation Grants and Contracts Manager, as part of the Compliance: Tribal Transit Compliance Issues and Promising Practices track at the 3rd Annual National Rural Transit Assistance Program Technical Assistance Conference hosted at the Hilton Omaha in Omaha, Nebraska, October 30, 2017.

[“Tribal Safety Plans - Funding, Planning & Projects,”](#) a three-and-a-half-hour panel presentation co-facilitated with Elisabeth Whitlock, High Road Engineering, Esther Corbett, Inter Tribal Council of Arizona Project Manager, and Laura Rae Savala-Levi, Kaibab Band of Paiute Indians Tribal Motor Vehicle Crash Injury Prevention Project-Coordinator, at the 20th Annual National Tribal Transportation Conference hosted at the JW Marriott Starr Pass Resort in Tucson, Arizona, September 26, 2017.

“Rural and Tribal Walkability Challenges - Examples and Solutions,” a 90-minute panel presentation co-facilitated with Ian Thomas, State and Local Program Director for America Walks, Brian Fellows, Senior Transportation Planner at Amec Foster Wheeler, and Jeanne Anthony of JK Anthony Associates as part of the 2017 National Walking Summit, hosted at the Intercontinental Riverfront Hotel in St. Paul, Minnesota, September 14, 2017.

“Cherokee Nation Safety - At Home, On Roadways and Within” and “Improving Cherokee Nation Walking and Biking Safety,” two 75-minute presentations, delivered twice each at the Cherokee Nation’s two-day 2017 Annual Conference for Community Leaders hosted at the Tulsa Wyndham Hotel in Tulsa, Oklahoma, June 9 - 10, 2017.

“Walkability and Bikeability for Healthy, Vibrant Neighborhoods (NR270),” a two-day NeighborWorks America course, developed and delivered by Michia Casebier for the Neighborhood Revitalization track at the 2016 Los Angeles National Training Institute (NTI), Westin Bonaventure Hotel in Los Angeles, California, May 5 - 6, 2016, as well as at: the 2015 Kansas City NTI, May 7 - 8, 2015; the 2014 Louisville NTI, May 22 - 23, 2014; the 2013 Portland NTI, May 9 - 10, 2013; and the 2012 DC NTI, December 13 - 14, 2012.

“Organizing Healthy and Active Communities for All,” a two-day course developed and facilitated by Michia Casebier for the Community Engagement track at the LA National Training Institute hosted at the Hilton Atlanta in Atlanta, Georgia, February 25 - 26, 2016, as well as at the Westin Bonaventure Hotel in Los Angeles, California, February 23 - 24, 2015, and the Walter E. Washington Convention Center in Washington, D.C., December 8 - 9, 2014.

“Tribal Transit Program Development With or Without FTA Funding,” a 55-minute presentation developed and facilitated by Michia Casebier with a focus on the Gwichyaa Zhee Gwich'in Tribe’s transit program development for the Transit track at the 18th Annual National Tribal Transportation Conference hosted at the Sheraton Myrtle Beach Convention Center Hotel in Myrtle Beach, South Carolina, September 23, 2015.

“Bike Traffic Skills Courses: Four Tribes Tackle Safety, Health & Cycling,” a 90-minute presentation co-facilitated with Esther Corbett, Inter Tribal Council of Arizona Project Manager, and Francis Bradley, Police Chief of the Hualapai Police Department, for the Safety track at the 18th Annual National Tribal Transportation Conference hosted at the Sheraton Myrtle Beach Convention Center Hotel in Myrtle Beach, South Carolina, September 23, 2015. Michia also developed a 16-page Tribal Youth Bike Safety Training handbook for the workshop.

Myers, R., Casebier, M., Johnson, R., Geisler, A. (August 2015) [“Creating Safe Routes to School Programs for Tribal Communities in California: A California SRTS Tribal Guide.”](#) San Francisco: California Safe Routes to School Technical Assistance Resource Center, a Program of California Active Communities.

PUBLICATIONS, PRESENTATIONS, TRAININGS, AND WEBINARS (Continued)

"Bicycling Skills 123," a League of America Bicyclists youth course, which was modified to be site-specific and age-appropriate for provision to Native American children aged three to sixteen. Co-facilitated by Michia Casebier, League Cycling Instructor, Number 3685, and Brett Cohen, League Cycling Instructor, Number 4388, and co-sponsored by the Inter Tribal Council of Arizona, the day-long course was offered to youth on the Hualapai Indian Tribe reservation in Peach Springs, Arizona on May 16, 2015; the Kaibab Band of Paiute Indians reservation in Pipe Springs, Arizona on June 8, 2015; the Duckwater Shoshone Tribe reservation in Duckwater, Nevada on June 10, 2015; and the Te-Moak Tribe of Western Shoshone reservation in Elko, Nevada on June 11, 2015.

"Successful Tribal Safe Routes to School Program Development," a 60-minute panel presentation co-facilitated with Steve Soenksen, Alaska's SRTS Program Coordinator, and Steve Cleary, Alaska Trail's Executive Director, as part of the 17th Annual National Tribal Transportation Conference hosted at the Hilton Hotel in Anchorage, Alaska, September 25, 2014.

"Tribal Safety Plans - Lessons from the Gila River Indian Community and Other Tribes," a 90-minute panel presentation co-facilitated with Adam Larsen, Federal Highway Administration Safety Engineer and Tribal Coordinator, and Sasha Pachito, Transportation Planner for the Gila River Indian Community's Department of Transportation, as part of the 17th Annual National Tribal Transportation Conference, hosted at the Hilton Hotel in Anchorage, Alaska, September 24, 2014.

"Funding Tribal Safety," a PowerPoint presentation on grant writing for Tribal Transportation Program Safety Funds, at the Hilton Hotel as part of the 12th Annual Alaska Tribal Transportation Symposium in Anchorage, Alaska, April 15, 2014.

"Grant Writing Certificate Training Program," a comprehensive, interactive five-part grant writing workshop series, co-sponsored with the Yavapai County Business Assistance Center on Wednesdays between October 2 and November 20, 2013 at the City of Cottonwood's Recreation Center. The five workshops covered grant development topics in whole and half-day formats: Grant Seeking Fundamentals, Finding Funding Sources Step-by-Step, Preparing Successful Budgets, Evaluating Grant Performance, and Advanced Grant Seeking.

"SRTS in Indian Country: Understanding Program Development Challenges - Part I" and "SRTS in Indian Country: Success Stories and Lessons Learned - Part II," a two-part America Walks Coaching Action Network Webinar Series, co-facilitated with Katherine Campbell, Education Program Specialist with the Bureau of Indian Education, and Kevin Discepolo, Youth Program Specialist from the Office of Youth, Partnerships & Service, August 21, 2012 and September 4, 2012.

Michia conceived of/coordinated the May Tribal SRTS Workshop Series, a collaboration of ADOT, the Salt River Pima-Maricopa Indian Community (SRPMIC), and the PedNet Coalition to offer a unique three-day SRTS training series for tribes from across the United States. Held on May 1 - May 3, 2012 at the SRPMIC Education Board Room and Two Waters Government Complex in Scottsdale, Arizona, the training was attended by seven Arizona tribes and the Bois Forte Band of Chippewa from Minnesota. The three days included: a PedNet Walking School Bus workshop facilitated by Robert Johnson, PedNet's Consulting Director; the first day-long Active School Neighborhood Checklist (ASNC) workshop with a conference call-in opportunity for State SRTS Program Coordinators to share information about their tribal SRTS program development successes; and a SRTS National Course workshop co-facilitated by Brian Fellows, Mike Cynecki, of Lee Engineering, LLC.

MGT provided thirteen 4 ½-hour "Writing a Competitive Safe Routes to School Grant" workshops, and one 90-minute webinar, during the months of August 2010 and April, August, and October 2011 for: the SRPMIC in Scottsdale, Arizona; the Pascua Yaqui Tribe in Tucson, Arizona; the Inter Tribal Council of Arizona in Phoenix, Arizona; the Tohono O'odham Nation in Sells, Arizona; the Colorado River Indian Tribes in Parker, Arizona; the Bureau of Indian Affairs in Phoenix, Arizona; the Arizona Department of Transportation in Phoenix, Arizona; and the communities of Flagstaff, Mesa, and Tucson, Arizona.
